PROFESSIONAL SUMMARY

Third-year Computer Science Engineering student experienced in web development, Java systems. Developed automation and responsive web applications. Certified in AI/ML, data analysis, and web design, with internship exposure to real datasets and collaborative workflows. Seeking opportunities in software engineering, web development.

EDUCATION

Bachelor of Engineering - Computer Science , Agni College of Technology, Chennai	Expected 2027
Higher Secondary Education , Brotherhood Matric Hr. Sec. School, Chennai	2022 - 2023

TECHNICAL SKILLS

Languages	Java, Python, SQL
Web Technologies	HTML, CSS, JavaScript, React
Tools & Platforms	GitHub, VS Code, Figma

CERTIFICATIONS

- Data Analysis with Python – IBM
- Machine Learning with Python – IBM
- Responsive Web Design – freeCodeCamp
- Data Structures in C Programming – SkillRack

EXPERIENCE

Front-End Web Development Intern	2025
Edunet Foundation (AICTE & IBM SkillsBuild)	<i>Remote</i>
• Built responsive web pages using HTML, CSS, and JavaScript. • Applied IBM SkillsBuild modules in web development and UI practices.	

Artificial Intelligence & Data Analytics Intern	2025
AICTE, Shell India Markets, Edunet Foundation	<i>Remote</i>
• Worked on AI and data analytics concepts with focus on green skills. • Gained hands-on experience with Python-based data workflows and real-world datasets.	

PROJECTS

Nextbench – Full-Stack Student Marketplace. Built a full-stack e-commerce application using TypeScript, React, and PostgreSQL, enabling peer-to-peer transactions within academic communities. Implemented secure user authentication and database management for seamless marketplace functionality.

Personal Portfolio Website. Designed and deployed a responsive personal website using HTML, CSS, and JavaScript. Hosted on GitHub; includes projects, certifications, and mobile-friendly UI.

Train Reservation System – JavaFX & MySQL. Built a desktop application for ticket booking and seat tracking using JavaFX. Implemented MySQL connectivity and optimized database query operations.
